### **NAMALE RESORT & SPA NAMED IN SPA MAGAZINE'S 2011 SILVER SAGE READER'S CHOICE AWARDS**

**New York, NY / October 2011** –Namale Resort & Spa in Fiji has been named in *Spa Magazine's* 2011 Silver Sage Reader's Choice Awards, adding another award to the luxurious, five-star resort's impressive list of honors. Namale received an honorable mention for resorts located in the Pacific, and was included among spas such as The St. Regis Bora Bora and Le Meridien Bora Bora. Namale was the only resort named in Fiji.

*Spa's* 2011 Silver Sage Readers' Choice Awards highlights readers' picks of top spas around the world. This year, the awards recognized the top favorites in 30 different categories that include Favorite Destination Spa, Favorite Spa for Cuisine, Favorite Romantic Spa, and others; as well as revised destination categories (Best Pacific Spa, Best Canada Spa, Best Florida Spa, etc.).

Namale (also named the Best Hotel for Romance by Trip Advisor in its 2011 Travelers' Choice® awards) is located on the edge of the Koro Sea in Savusavu, Fiji. The five-star resort and spa sprawls over 525 acres of land that offers the idyllic backdrop for romance, unparalleled luxury, privacy and splendor that only begins to describe the way of life at this all inclusive resort.

"Namale offers an exclusive, private and luxuriously authentic Fijian experience," says Hudson Mitchell, Namale Director of Sales and Marketing. "The central focus of the Namale family is to make sure that each and every one of our guests has an exceptional experience and leaves our property with a longing to return."

The full list of Silver Sage winners was announced in *Spa's Worldwide Guide 2012* issue, which recently hit newsstands. *Spa's Worldwide Guide* issue was also showcased in Las Vegas at a special *Spa* reception held prior to the 2011 International Spa Association conference on Sunday, November 6.

#### **About Namale**

Namale (<http://www.namalefiji.com/>) is *the* getaway for romance, relaxation, pampering and a spiritual renewal. Located on the edge of the Koro Sea in Savusavu, Fiji, the award-winning, five-star resort and spa has received numerous accolades, including One of the 50 Most Romantic Places on Earth by *Luxury Magazine* and 2010 World Travel Award as Fiji's leading Spa Resort. The 525 acre resort and spa boasts 19 unique villas and bures, a world-class spa that merges ancient wisdoms with the knowledge of modern medical sciences and research to create a generous variety of treatments.
