GENERAL INFORMATION

WHAT TO PACK

Namale's atmosphere is relaxed and casual, with an informal dress code. Packing light is highly recommended, and island and beach wear is suitable. Daily complimentary laundry and pool/ beach towels are provided. Water shoes are recommended for reef walks and hiking. Sunscreen and bug spray are available but also recommended. Bures are equipped with 240v hairdryers and electrical adapters are available, though you are free to bring your own.

LUGGAGE RESTRICTIONS

Due to Fiji's remote location, international and domestic flights on Fiji Airways enforce strict baggage allowances. It is wise to confirm luggage restrictions with your airline prior to departure.

CLIMATE

Fiji has a lovely mild tropical climate, with warm sun and refreshing sea breezes. Depending on the season, temperatures range from low 70F (20C) to high 90F (32C). Water temperature in Fiji averages 78F (26C) year round.

TIME ZONE

Fiji is located on the western side of the international date line. Those traveling from the US cross the date line and thus "lose a day." Fiji operates on Greenwich mean time plus 12 hours.
