GENERAL INFORMATION

WHAT TO PACK

Namale's atmosphere is relaxed and casual, with an informal dress code. Packing light is highly recommended, and island and beach wear is suitable. Water shoes are recommended for reef walks and hiking. Experience the epitome of barefoot luxury, where flip flops take center stage as the favored footwear. While it's tradition to slip off your shoes while dining, it's entirely optional, however it is strongly advised to wear cover-ups over swimwear as a gesture of respect towards the local culture.

Daily complimentary pool/ beach towels are provided. Sunscreen and bug spray are available but also recommended. Bures are equipped with 240v hairdryers.

LUGGAGE RESTRICTIONS

Due to Fiji's remote location, international and domestic flights on Fiji Airways enforce strict baggage allowances. It is wise to confirm luggage restrictions with your airline prior to departure.

CLIMATE

Fiji has a lovely mild tropical climate, with warm sun and refreshing sea breezes. Depending on the season, temperatures range from low 70°F (20°C) to high 90°F (32°C). Water temperature in Fiji averages 78°F (26°C) year-round.

TIME ZONE

Fiji is located on the western side of the international date line. Those traveling from North America cross the date line and thus "lose a day" on arrival. Fiji operates on Fiji Time (FJT), which is Greenwich Mean Time (GMT) plus 12 hours.
