Sandbar Snorkel + Picnic

Takes you on a group excursion to a deserted sandbar just 15 minutes by boat from town. Enjoy fantastic snorkeling and then relax with snacks and beverages on the soft white sand surrounded by crystal clear waters - a luxurious castaway experience!

Available for an additional fee

Salt River Drift

Is a unique adventure that takes you down Vanua Levu's natural salt river phenomenon - a saltwater river fed by the ocean leading to the salt lake. The direction of the river depends on the tide, and on days it flows towards the lake, grab a lifejacket and hop in to float along as our guides serve beverages from the boat. A must-do!

Available for an additional fee

Vuadomo Waterfall

Embark on an unforgettable inland adventure to one of Fiji's natural wonders. Located just a short drive from Namale, enjoy a moderate 25-minute hike and arrive at the breathtaking sight of the powerful cascade plunging into a crystal-clear pool below, perfect for a leisurely dip. It promises to be an unforgettable experience in the heart of Fiji's lush landscape.

Available for an additional fee

Pearl Farm Tour

Exposes you to some of the world's rarest saltwater pearls, cultivated and harvested right in Savusavu Bay. Take a tour of J. Hunter Pearls and snorkel above the underwater farm - featuring the oysters suspended on rope beneath the surface - learn about the cultivation process, and visit the showroom.
